

KENNETH MITCHELL TOFT, M.D.

Toft Facial Plastic Surgery
959 Reserve Drive
Roseville, CA. 95678
916 782 8638
Fax 916 782 8662

BOARD CERTIFICATION

American Board of Otolaryngology, Head and Neck Surgery April 2000
American Board of Facial Plastic and Reconstructive Surgery June 2003

TRAINING

FELLOWSHIP

Facial Plastic and Reconstructive Surgery July 2000
UCLA Medical Center
Directors Gergory Keller, M.D. and Keith Blackwell, M.D.

RESIDENCY

Stanford University Medical Center July 1999
Otolaryngology - Head and Neck Surgery

Stanford University Medical Center July 1995
Surgery Internship

MEDICAL SCHOOL

University of Michigan, Ann Arbor May 1994
AOA member

UNDERGRADUATE

University of Michigan, Ann Arbor May 1990
B.S. in Biology
GPA: 3.94/4.00

ACADEMIC APPOINTMENTS

Medical Director of Facial Plastic and Reconstructive Surgery, Mercy San Juan Medical Center (2000-present)

Clinical Instructor in Facial Plastic and Reconstructive Surgery, Head and Neck Surgery, UCLA Medical Center (1999-2000)

AWARDS

MEDICAL SCHOOL

AOA

Student Representative

UNDERGRADUATE

Graduated with "Highest Honors" (top 3% of class)

Phi Beta Kappa Honor Society

Angel Scholar (at least two semesters in a row with a 4.0 average)

Golden Key National Honor Society

ACTIVITIES

FELLOWSHIP

Editor for Medessentials, an on-line medical resource

Coordinator of monthly Journal Club

RESIDENCY

The Foundation National Meeting, Aspen, CO

The Foundation National Meeting, Newport Beach, CA

AAFPRS Winter Meeting 1997, San Francisco, CA

Leslie Bernstein's Rhinoplasty Course, San Francisco, CA

American Medical Association

American Academy of Otolaryngology - Head and Neck Surgery

American Academy of Facial Plastic and Reconstructive Surgery

MEDICAL SCHOOL

Cellular and Molecular Biology Instructor

Phi Delta Epsilon Medical Fraternity (Vice President)

Galens Medical Society

AMA and AMSA

RESEARCH

PUBLISHED

Laser Resurfacing with Combined CO₂ and Erbium Laser. **Kenneth M. Toft, M.D.**, Gregory Keller, M.D., Keith Blackwell, M.D.

Prevention and Correction of Temporal Hair Loss in Rhytidectomy. H. George Brennan, **Kenneth M. Toft**, R. James Koch, Brian P. Dunham, Richard L. Goode. Facial Plastic and Reconstructive Surgery

SUBMITTED

New Electrocautery Instrumentation. An *In Vivo* and Histopathologic Study of Pigmentation, Erythema, and Epithelialization for the Superpulsed CO₂ and Erbium:YAG Laser. **Kenneth M. Toft, M.D.**, Lance Jackson M.D., R. James Koch, M.D.

BDNF-Enriched Gel-Filled Collagen Tubules as a Substitute for Autologous Nerve Grafts. **Kenneth M. Toft, M.D.**, Melinda Moir, M.D., Joanne Lum, B.S., Michael To, Michelle Wang, B.S., David J. Terris, M.D

RESERCH EXPERIENCE

Summer 1991 University of Chicago Cardiac Surgery Department
Evaluating heparin coated cardiopulmonary bypass equipment to provide cooling and hypotension without the need for systemic heparinization during neurosurgical procedures.

Fall 1990 University of Michigan ECMO Laboratory
Chart review and data analysis comparing V-A and V-V ECMO circuits for complications.

Summer 1989 Sinai Hospital of Detroit Surgical Research Department
Percutaneous Access Device: Culture fibroblasts on neck of catheter to inhibit infection and rejection seen in long term percutaneous catheterization.
Intra-aortic Balloon pump: Test portable machine that corrects for changes in balloon volume and gives readout of pump activity and vital statistics.

Summer 1988 University of Michigan Medical Center Virus Laboratory
Testing Envelope proteins of HTLV I on purified leukocytes for increased mitogenic activity and immunity response.

BOOK CHAPTERS

Submentoplasty, an Anatomical Approach. Clinics of Facial Plastic Surgery.
Kenneth M. Toft and Gregory S. Keller.
